

Perfect Polis Project

Groups of 2-3

Presentation on December 15th

Based on your reading from this quarter, class discussions, and your own creativity, you will create the perfect society. This is a “thought experiment” as Plato presented in his Republic.

You will describe your plan for each of the categories listed using 2-3 sentences (yes, this is less than originally stated, you’re welcome:)

You will present on Powerpoint or similar presentation software AND turn in your answers on a typed sheet on Tuesday December 15th.

You will also present an artistic depiction of your city with one of the following :

- 1- A full sized, colored map on a poster board
- 2- A model made of clay(Play-doh’s Republic hehe), legos, or other building material (10 points extra)

Bonus point ideas (5 points each)
